FOR INTERNATIONAL COOPERATION

WHO WE ARE

The Saskatchewan Council for International Cooperation is a coalition of organizations and individuals working to advance sustainable global development. SCIC was formed in 1974 by international development and emergency relief agencies active in Saskatchewan.

OUR MISSION & VALUES

The Council builds momentum towards a just, equitable, and sustainable world by enhancing the capacity of our members, educating and inspiring the public to take action, and creating connections among those we serve. We are committed to the recognition of the dignity of all people and their right to self-determinations.

OUR PROMISES

Our objective is to educate and empower individuals to take meaningful action and contribute to making the world a better place. By joining our Membership Family, we provide you networking opportunities for everyone to engage, participate, and co-host events that further advance your mission. These networking outlets include in-person gatherings, virtual collaborations, and capacity building activities.
